VX 5301.291 - Partition, vertically divided, for screw fastening for VX IT

Partition for VX IT. For retrospective installation/dismantling of bayed enclosures

Features

Model No.	VX 5301.291
Product description	For retrospective installation/dismantling of bayed enclosures. The integrated sealing profile supports enclosure sealing for climate control or for applications with extinguisher gas. It may be fitted from the outside prior to baying the enclosure, or from the inside after baying the enclosure. As the partition is located inside the frame structure, it may be retrofitted at any time. There are no specific required baying distances between the enclosures.
Material	Sheet steel, zinc-plated
Supply includes	2 partitioning plates 4 cover caps Punched rail Seal Assembly parts
To fit	Height: = 2,200 mm Depth: = 1,000 mm
Assembly instruction	Assembly/removal only supported for enclosures without interior installation.
Packs of	1 pc(s).
Net weight	26 kg

Features

Gross weight	27 kg
PCF per pack (cradle-to-gate)	102.9 kg CO2 eq (Cat B)
Note on PCF category	Category B: PCF value (cradle-to-gate) based on the product weight, approximately calculated and self-declared
Customs tariff number	94039910
ETIM 9	EC002525
ECLASS 8.0	27189234
Product description	Partition, divided vertically, screw-fastened for VX IT, for retrospective mounting/dismantling of bayed enclosures. For enclosure height 2,200 mm, for enclosure depth 1,000 mm.
