DK 5502.405 - Cable manager

For system-compatible cable deflection and to accommodate surplus cables and excess length, the elements may optionally be used individually or in combination for cable routing.

Features

Model No.	DK 5502.405
Design	Tool-free assembly
Product description	For system-compatible cable deflection while complying with minimal bending radii and to accommodate surplus cables and excess length. The elements may optionally be used individually or in combination for cable routing. They may be combined into semi-circular or circular elements.
Benefits	Simple assembly with tool-free quick-release fastening Alternatively suitable for screw-fastening Integral multifunctional punching for attaching cable routing components Integral mounting holes for fixing the PDUs in a 7 U pitch pattern via a keyhole recess
Applications	For vertical cable routing and strain relief with network and server applications
Material	Plastic to UL 94-V0
Colour	RAL 9005
Supply includes	Mounting clips and assembly parts
Packs of	20 pc(s).

Features

Net weight	1 kg
Gross weight	1.187 kg
Customs tariff number	39269097
ETIM 9	EC002624
ECLASS 8.0	27189265
Product description	DK Cable manager, RAL 9005
