► Let's talk about: System solutions for all airport areas

The world's leading airport exhibition

Messe München
10. - 11. - 12. - 13. Oktober 2017

We would be delighted to discuss your business needs and your requirements for tailor-made airport solutions at **inter airport Europe** in Munich.

Take advantage of our expertise – we offer innovations and integrated system solutions for the following areas:

- **Reliability to deliver smooth processes in the terminal**
Standardised IT infrastructure modules that ensure security and a continuous power supply.
- **Efficiency in apron / runway areas**
Robust outdoor enclosures to house safety systems, even with extreme environmental influences.
- **Reliable flight operations**
Customised climate control concepts for rack, suite and room climate control.

Visit us at inter airport Europe in Munich from **10 – 13 October 2017**.

At our **stand 1360 in Hall A5**, we'll be showcasing our system solutions, which meet the highest standards in robustness and functionality.

From 9:30 to 10:30 a.m., you can also enjoy a breakfast of Bavarian white sausage and pretzels.

Kind regards from Herborn,
