**Certificate Number** UL-CA-2119647-3 Report Reference E76083-20180417

**Date** 17-Nov-2023

RITTAL GmbH & Co. KG Issued to:

> Auf dem Stuetzelberg Herborn, Hessen 35745

Germany

This is to certify that representative samples of NITW7 - Industrial Control Panels Certified for Canada

See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the

Standard(s) indicated on this Certificate.

CSA C22.2 NO. 14-18, 13th Ed., Issue Date: 2018-03-01 Standard(s) for Safety:

**Additional Information:** See the UL Online Certifications Directory at

https://iq.ulprospector.com for additional information

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.

Octoah Jennings - Corne

Certificate Number UL-CA-2119647-3
Report Reference E76083-20180417

Date 17-Nov-2023

This is to certify that representative samples of the product as specified on this certificate were tested according to the current UL requirements

**Certificate Number** UL-US-2123964-3 Report Reference E76083-20180417

**Date** 17-Nov-2023

RITTAL GmbH & Co. KG Issued to:

> Auf dem Stuetzelberg Herborn, Hessen 35745

Germany

This is to certify that NITW - Industrial Control Panels

representative samples of See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the

Standard(s) indicated on this Certificate.

UL 508A, 3rd Ed., Issue Date: 2018-04-24, Revision Date: Standard(s) for Safety:

2021-08-05

Additional Information: See the UL Online Certifications Directory at

https://iq.ulprospector.com for additional information

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.
