

**Technical Services Manager,  
Mississauga, Ontario**

**Rittal Systems Ltd. is the Canadian Subsidiary of Rittal GmbH & Co. KG, Germany,** which is the world's leading system supplier for enclosures, power distribution, climate control, IT infrastructure and software & services. Founded in 1961, Rittal is now active worldwide with 10 production sites, 63 subsidiaries and 40 agencies. With over 11,000 employees worldwide, Rittal is the largest company of the proprietor-run Friedhelm Loh Group of Haiger, Germany. [www.rittal.ca](http://www.rittal.ca) and [www.friedhelm-loh-group.com](http://www.friedhelm-loh-group.com).

**Our goal is to consistently meet and exceed customer expectations by providing innovative solutions, quality products and exceptional service and support.**

**What distinguishes Rittal in the industry,** is our Global network and presence, integrated Value Chain from Engineering to Manufacturing to Automation, as well as our innovative solutions customized to our customer's individual specifications. We are on the cutting-edge of technology when it comes to making sure that our solutions are engineered incorporating the newest market innovations and hi-tech processes.

**An opportunity exists for a proactive Manager to develop process improvements and provide support to technical service representatives, light production assembling and customization associates, customers and the Sales Team. Reporting directly to the President, the Technical Services Manager oversees all commercial business operations for Ontario.**

The successful candidate should have:

- Engineering Degree or Diploma
- Strong communications skills
- Customer focus with a strong sense of urgency
- A passion for delivering technical solutions
- Hands on operational management/supervisory experience
- Strong leadership, coaching and mentoring skills
- Lean manufacturing background, training and experience
- Process / continuous improvement background
- Excellent organizational skills
- Familiarity with SAP, Office, AutoCad and Inventory

We are offering an attractive remuneration package, Employee Benefits and the opportunity to contribute to a fast paced growing company with a history of growth and profitability.
