

Rittal – The System.

Faster – better – everywhere.

Drip Shield Kit

The perfect outdoor protection for Rittal WM enclosures is here.

Easily installed on Type 4 and 4X wall-mount enclosures. A Rittal drip shield protects the door from dripping water and settling dust. Attaches quickly and easily to the enclosure with stainless steel screws and sealing washers (furnished).

Manufactured from 14 gauge mild or 316 stainless steel. Product maintains UL/CSA Type 4 and 4X rating when properly installed on a Rittal enclosure.

For complete details visit www.rittal.com

- Protects door from dripping water and settling dust.
- Designed not to interfere with door.
- Constructed in 14 gauge mild steel (painted) or 316 stainless steel.
- Maintains UL Type rating of the WM enclosure.
