Earthing screws for mounting plate TS 8 / SE 8 Now also available as a complete Earthing set

The Earthing screw for the mounting plate TS is now available as a complete Earthing set.

The earthing screw will also be required when buying the enclosure, providing an earth for grounding the mounting plates together.

Benefits:

- One item number / Order No.
- Short delivery time
- No complex special order

TS Earthing screw: Order No. 5050416 / 1VE = 20 piece
