

Cooling units arranged on top of a suite of enclosures with different heat losses

Temperature
distribution

- without Master-Slave operation
- without enclosure internal fan

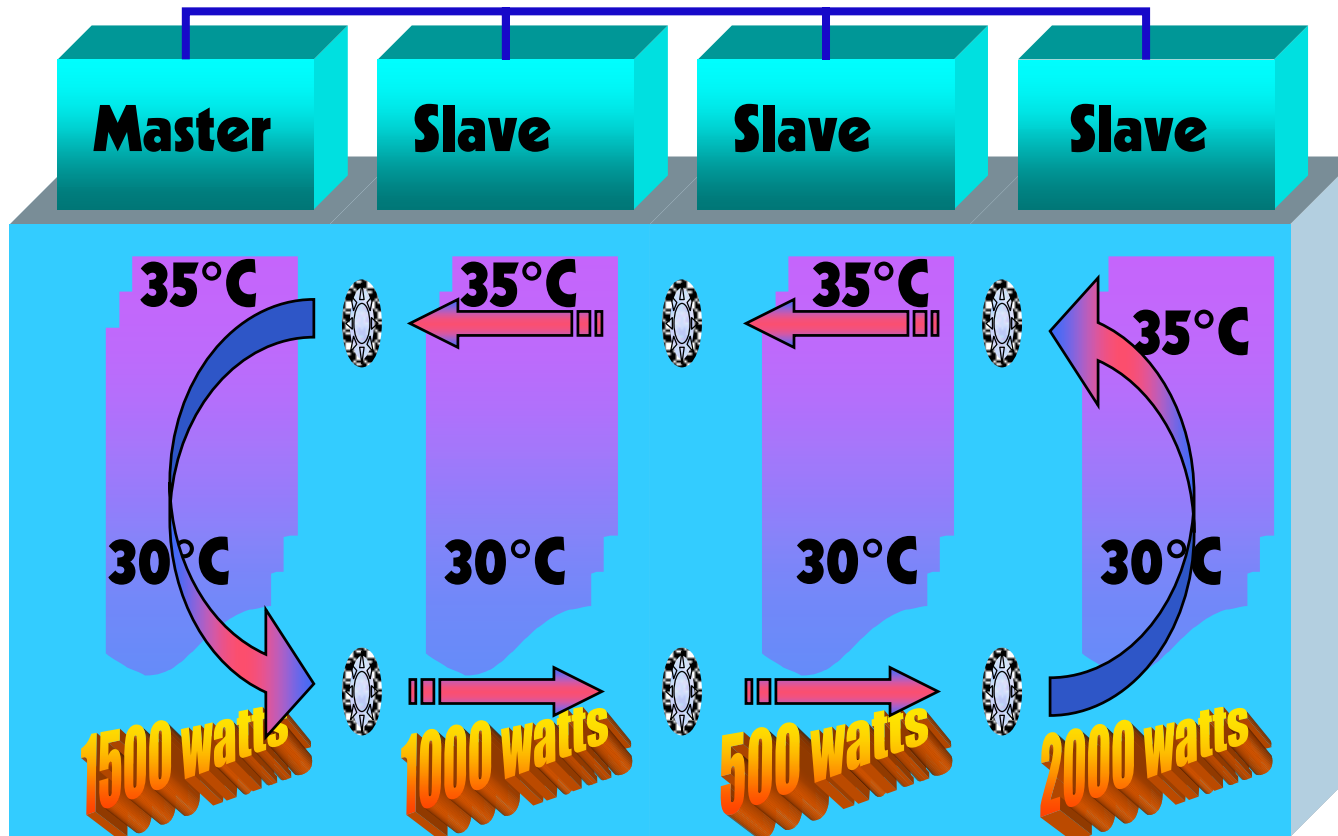

Cooling units arranged on top of a suite of enclosures with different heat losses

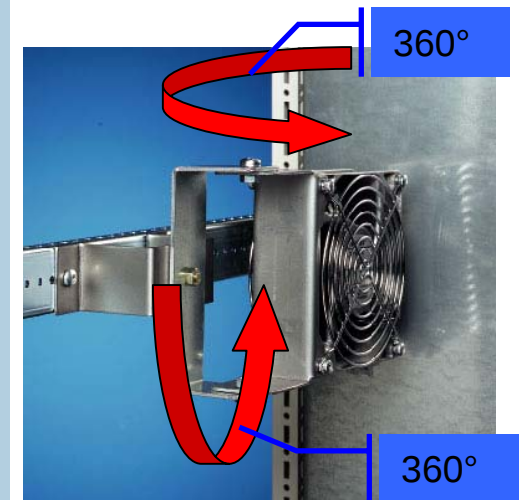

Temperature distribution

- with Master-Slave operation
- without enclosure internal fan

Cooling units arranged on top of a suite of enclosures with different heat losses

Reasonable use of the enclosure internal fan

Temperature distribution

- with Master-Slave operation
- with enclosure internal fan
