RDC IT Container – IT 7998.910

created: 29.09.2020 build on www.rittal.com/in-en

Product description

Description:	Ready-to-connect IT infrastructure in a robust container shell, as standardised IT modules in a range of output categories for SME, Cloud and Edge applications.
Benefits:	Individual container solutions Predefined data centre container variants Predefined components Project planning and complete documentation of all components Short planning phases and delivery times Complete turnkey system
Applications:	SME, cloud and Edge applications IT modules for both small output categories and larger HPC applications, may be individually tailored to the required heat loss of the IT equipment
Function principle:	The IT modules contain the entire infrastructure for the IT equipment, ready-to-connect for an infrastructure container or conventional infrastructure. In addition to mechanical mounting of the IT equipment in the form of racks, an IT module also contains the power distribution system, cooling systems and monitoring components. An uninterrupted power supply and cooling generation are supplied separately.

Product features

Packs of:	1 pc(s).
Customs tariff number:	85489090
ETIM 7.0:	EC002499
ETIM 6.0:	EC002499

eCl@ss 8.0/8.1: 27180207

eCl@ss 6.0/6.1: 27180207
