# DK 7116.500 - Fibre-optic shunting rings

The inner body is grooved, for the insertion of shunting or jumper cables into these, a rubber ring holds different fibre-optic cables with diameters of up to 4.5 mm.

## Features

|                     |  |
|---------------------|--|
| Model No.           | DK 7116.500  |
| Product description | Fibre-optic shunting or jumper cables can be inserted into the grooves of the inner body. A rubber ring holds different fibre-optic cables up to Ø 4.5 mm. Strain relief and bending radius are ensured.   |
| Function principle  | The supplied mounting brackets are suitable for universal use. The fibre-optic cables can be routed to the patch panel in all directions in various mounting positions: at the side, directly on the patch panel, in front of the patch panel, at the side next to the patch panel and behind the patch panel. |
| Material            | Dual compound plastic  |
| Colour              | Exterior: RAL 7035<br>Interior: RAL 9005   |
| Supply includes     | 2 shunting rings<br>2 rubber rings<br>Baying kit<br>Assembly parts   |

# Features

|                       |  |
|-----------------------|--|
| Dimensions            | Length: 120 mm   |
| Packs of              | 2 pc(s).   |
| Net weight            | 0.48 kg  |
| Gross weight          | 0.488 kg   |
| Customs tariff number | 83024200   |
| ETIM 9                | EC000322   |
| ECLASS 8.0            | 27400604   |
| Product description   | DK Fibre-optic shunting rings, L: 120 mm, For Kabel-Ø bis 4,5 mm |
