# SV 9676.730 - Direct connection terminal for round conductors

For the direct connection of round conductors 95 – 300 mm<sup>2</sup> (single-wire and multi-wire).

## Features

Model No.	SV 9676.730
Product description	For connecting round conductors to a busbar distributor system made from flat copper. Suitable for 10 mm bar thickness.
Material	Connection clamp: Brass, tin-plated Busbar claw: Stainless steel
Supply includes	Assembly parts (excluding screws)
Assembly instruction	The required screw length must be selected in line with the busbar width W, i.e. length = W + fastening measurement. Screws are not included with the supply. Busbar claw with threaded insert M10
Number of bars per conductor	2
Connection of round conductors	95 - 300 mm <sup>2</sup>
Mounting dimensions	60 mm
Packs of	1 pc(s).
Net weight	0.32
Gross weight	0.327
Customs tariff number	85369010
EAN	4028177625549
ETIM 9	EC002270
ECLASS 8.0	27400613
