# DK 5502.340 - Gland plate, one-piece, vented for TS IT

Potential equalisation is provided via assembly components and earthing points. The gland plate set is used to conceal the entire base opening.

## Features

|                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

| Model No.           | DK 5502.340                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Product description | To completely cover the open base assembly in one piece. Perforated over the entire surface. This allows cold air to flow in from the base or base/plinth area. This ensures the inflow of cold air, particularly in enclosures with rack climate control. With a brush strip at the rear for user-friendly cable entry from below across the entire enclosure width. Integral guides permit simple accommodation of a filter mat, which is also readily replaced. |
| Material            | Sheet steel<br>Brush strip: Plastic, UL 94-HB<br>Filter mat: Foamed plastic                                                                                                                                                                                                                                                                                                                                                                                        |
| Surface finish      | Zinc-plated                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
