# DK 7455.030 - Cable glands for fibre-optic technology

Allows super-easy cable entry, especially suitable for routing break-out cables, as this eliminates unnecessary bending of the fibre-optic cables.

## Features

|                       |  |
|-----------------------|--|
| Model No.             | DK 7455.030  |
