SK 3285.940 - Pleated filter for filter and roof-mounted fans, cooling units and chillers

Compared to conventional chopped fiber filters, the high-quality pleated filter technology enables a significant increase in the volume flow and thus an increase in the performance of the unit as well as a reduction in energy consumption. In addition, better filtration properties ensure less dust in the enclosure or unit, and the longer service life means significantly lower service costs.

Features

| | |
|------------------------|--|
| Model No. | SK 3285.940 |
| Version | for chillers |
| Material | Polyester |
| Note | Performance data, protection category, and device approvals are only guaranteed when used in conjunction with original Rittal filter mats. |
| Suitable for Model No. | 3319.100 3320.200 3334.300 3334.360 3334.440 3334.460 3334.470 3334.480 3334.400 3334.450 |
| Dimensions | Width: 131 mm Height: 113 mm Depth: 13 mm |
| Filter class | to DIN EN 779: G3 |
| Packaging unit | 3 pc(s). |
| Net weight | 0.087 |
| Gross weight | 0.097 |
| Customs tariff number | 56039390 |
