SK 3286.700 - Quick-change frame for roof-mounted cooling units

Together with the seal, the lower part of the alternate frame is screw-fastened to the enclosure. In this way, it is possible to install and remove the connector-ready cooling unit with quick-release fasteners with the upper part of the alternate frame pre-fitted on the cooling unit.

Features

| | |
|-------------------------------------|---|
| Model No. | SK 3286.700 |
| Product description | <p>The quick-change frame is more than just an alternate frame. Together with the seal, the lower part of the frame is screw-fastened to the enclosure. In this way, it is possible to install and remove the plug-in cooling unit with the upper part of the alternate frame previously mounted on the cooling unit with quick-release fasteners. During servicing work, this means shorter assembly times and so minimized downtime. What is more, the quick-change frame offers effective protection from the ingress of oil into the enclosure in oily atmospheres, thanks to its integral drainage trough.</p> |
| Material | Carbon steel |
| Color | RAL 7035 |
| Supply includes | Quick-change frame Seal Quick-release fasteners |
| Suitable for Model No. | 3359.... 3382.... |
| Packaging unit | 1 pc(s). |
| Net weight | 6.65 |
| Gross weight | 6.8 |
| PCF/VE (cradle-to-gate) | 23.6 kg CO ₂ eq (Cat B) |
| Information regarding the PCF class | Category B: PCF value (cradle-to-gate) calculated approximately on the basis of the product weight and self-declared |
| Customs tariff number | 73269098 |
