SK 3286.900 - Quick-change frame for roof-mounted cooling units

Together with the seal, the lower part of the alternate frame is screw-fastened to the enclosure. In this way, it is possible to install and remove the connector-ready cooling unit with quick-release fasteners with the upper part of the alternate frame pre-fitted on the cooling unit.

Features

Model No.	SK 3286.900
Product description	<p>The quick-change frame is more than just an alternate frame. Together with the seal, the lower part of the frame is screw-fastened to the enclosure. In this way, it is possible to install and remove the plug-in cooling unit with the upper part of the alternate frame previously mounted on the cooling unit with quick-release fasteners. During servicing work, this means shorter assembly times and so minimized downtime. What is more, the quick-change frame offers effective protection from the ingress of oil into the enclosure in oily atmospheres, thanks to its integral drainage trough.</p>
Material	Carbon steel
Color	RAL 7035
Supply includes	Quick-change frame Seal Quick-release fasteners
Suitable for Model No.	3386.... 3387....
Packaging unit	1 pc(s).
Net weight	10.419
Gross weight	10.967
PCF/VE (cradle-to-gate)	38.5 kg CO ₂ eq (Cat B)
Information regarding the PCF class	Category B: PCF value (cradle-to-gate) calculated approximately on the basis of the product weight and self-declared
Customs tariff number	73269098

Features

EAN	4028177325425
ETIM 9	EC000331
ETIM 8	EC000331
ECLASS 8.0	27189272
