## DK 5502.330 Base plate, one-piece, vented

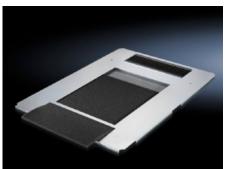

State: 2025-11-03 (Source: rittal.com/ca-en)

# DK 5502.330 - Base plate, one-piece, vented for VX IT, TS IT, TX CableNet

Equipotential bonding is provided via fastening components and grounding points. The base plate kit is used to conceal the entire base opening.

#### **Features**

| Model No.           | DK 5502.330   |
|---------------------|---|
| Product description | Completely covers the open base assembly in one piece. Fully perforated. This allows cold air to enter from the base or base/plinth section. This ensures an appropriate supply of cold air, particularly for closed-loop applications. With a rear brush strip for convenient cable entry from below over the entire width of the enclosure. Integrated guide rails for easy filter mat accommodation and replacement. |
