|----------------------------------|--|
| Model No.                        | DK 7145.735  |
| Product description              | Depending on its depth the component shelf provides several location points, making the distance between the 19" levels variable within certain limits. Each component shelf mounted in this way can be upgraded using telescopic rails to allow full withdrawal. In this case, the telescopic rails are screw-fastened at the site of the spacer bolts. |
