# DK 7284.135 - Additional Fastening for Profile Rails with I-shaped profile rails

Counteracts distortion of mounted profile rails in case of unevenly distributed loads, mounted directly on 482.6 mm (19") profile rails and on the depth-mounted system chassis.

## Features

|                         |                                                                                                                                                                                                                           |

| Model No.               | DK 7284.135                                                                                                                                                                                                               |
| Product description     | Additional attachment that prevents distortion of mounted profile rails in case of unevenly distributed loads. Mounted directly on 482.6 mm (19") profile rails and on the depth-mounted system chassis (internal level). |
| Applications            | For upgrading existing TS applications for 800 mm wide TS network enclosures                                                                                                                                              |
| Material                | Carbon steel                                                                                                                                                                                                              |
| Surface finish          | Zinc-plated                                                                                                                                                                                                               |
| Supply includes         | Assembly components                                                                                                                                                                                                       |
| Suitable for            | Enclosure type: TS<br>Width: 800 mm                                                                                                                                                                                       |
| Installation dimensions | Installation depth for components: 482.6 mm<br>Installation width for components: 19"                                                                                                                                     |
| Mounting tip            | The 17 x 73 mm TS system chassis is also required for the inner mounting level                                                                                                                                            |
