# DK 7320.700 - Handles, electromagnetic for CMC III and IoT interface

Handles can be integrated into various enclosure systems.

## Features

|   |   |
|---|---|
| Model No.   | DK 7320.700   |
| Version   | Ergoform-S handle   |
| Product description                               | For control and monitoring purposes using a central CMC III and IoT interface control unit.   |
| Benefits  | Autonomous access management with release of handle by means of a numeric code and transponder card<br>Rights and remote opening are administered via the network<br>Integrated web interface and link to central management systems via the control unit<br>Log of all door openings with time stamp |
| Applications                                      | Central access management across the network without keys or locking system<br>Stand-alone network enclosures containing sensitive IT systems<br>Data center with increased security requirements or colocation/ hosting applications   |
| Color   | RAL 7035  |
| Supply includes                                   | Connection cable (3 m) with RJ 12 connector.  |
| Lock type   | Electromagnetic   |
| Rated current max.                                | 0.1 A   |
| Quantity of participants per IoT interface (max.) | 16  |
| Quantity of participants PU compact (max.)        | 2   |
| Quantity of participants PU (max.)                | 16  |
| Number subscribers per PDU note                   | Max. 5 pcs for power supply via PoE   |

# Features

|                             |               |
|-----------------------------|---------------|
| Operating temperature range | 5 °C...40 °C  |
| Packaging unit              | 1 pc(s).      |
| Net weight                  | 0.76          |
| Gross weight                | 0.76          |
| Customs tariff number       | 83024110      |
| EAN                         | 4028177367470 |
| ETIM 9                      | EC000327      |
| ECLASS 8.0                  | 27409217      |
