DK 7827.480 - TS Installation Bracket for L rails in TS, 482.6 mm (19")

For optimum clearance at the sides for cable routing, depth-variable attachment is facilitated by the attachment slots.

Features

Model No.	DK 7827.480
Version	Installation position, center
Product description	The installation bracket is screw-fastened in the enclosure width on the housing frame. The profile rail is fastened to the bracket at the top and bottom. For partial enclosure configuration the installation brackets can be fastened to the TS system chassis, 17 x 73 mm, on the outer mounting level of the enclosure frame.
Benefits	The brackets ensure optimum clearance at the sides for cable routing Depth-variable attachment possible using the attachment slots Suitable for 19" partial expansion
Applications	For upgrading existing TS applications
Material	Carbon steel
Surface finish	Zinc-plated
Supply includes	Assembly components
Suitable for	Enclosure type: TS Width: 800 mm
Packaging unit	2 pc(s).
Net weight	3.38
Gross weight	3.6
Customs tariff number	73182900
EAN	4028177302631
ETIM 9	EC002625
