DK 7890.020 - RFID Tags

To directly save all information on the installed hardware.

Features

Model No.	DK 7890.020
Product description	One RFID tag is required per component. Each tag has a unique ID (UID, not consecutive) that cannot be changed. In other respects, the data are stored on the tag in line with ISO 15693. The supplied tags are unlabeled. In each case, the tag is glued to the 19" mounting bracket on the inside/right. The tag has an adhesive surface for this purpose. The component and tag are then screwed to the 19" level.
Function principle	Passive, writable RFID tag (13.56 MHz)
Packaging unit	20 pc(s).
Net weight	0.6 kg
Customs tariff number	73269098
ECLASS 8.0	27189253
Product description	DK RFID tags, Unwritten tags, Each tag has a "Unique ID", 1 RFID ag is required for each component, For identification of installed 482.6 mm (19") components
