DK 7955.010 - Slot cover For C13 or C19 slots

Closes any currently open, unused slots

Features

Model No.	DK 7955.010
Version	for C13
Product description	The slot cover allows open, unused IEC 60 320 C13 or C19 slots to be blanked off. This prevents the accidental overloading of individual phases. The enclosed unlocking tool (you can also use a flat-blade screwdriver) enables the cover to be removed again when required.
