TS 8611.330 - Comfort Handle for TS, TS IT, VX SE, PC, IW

The folding technology ensures that the handle does not need any swiveling space, which means that the surface of the door is completely free for installed equipment. Easy installation thanks to the snap-on handle system.

Features

| | |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Model No. | TS 8611.330 |
| Version | For lock inserts |
