TS 8800.806 Snap-on nut TS

State: 2025-11-03 (Source: rittal.com/ca-en)

TS 8800.806 - Snap-on nut TS

Mounted on the vertical TS/SE enclosure profile. When the screw is tightened, it is securely braced against the profile, and equipotential bonding is automatically created.

Features

TS 8800.806
Metric thread for vertical TS/SE enclosure profile. To mount, insert and clip into slotted holes. The snap-on nut is then secured in place. When the screw is tightened, it is securely braced against the profile, and equipotential bonding is automatically created.
An alternative to metal screws Particularly well-suited for dynamically-loaded connections
Precision-cast stainless steel
On the vertical TS, VX SE enclosure profile and on the horizontal VX SE enclosure profile (top, in the width).
