| Product description | Suitable for TS enclosures instead of a door or rear panel. The partial doors can be combined as required. A front trim panel is required at the top and bottom. Door may be optionally hinged on the right or left. In doors without a viewing window (height 600 – 1000 mm), installation of the monitor frame SZ 2305.000 is possible. Standard double-bit lock insert may be exchanged for lock inserts, type F, and for comfort handle in systems 600 mm or more high. |
| Material            | Carbon steel, 2 mm                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Color               | RAL 7035                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
