# SV 9676.546 Contact maker

State: 2025-10-29 (Source: rittal.com/ca-en)

### SV 9676.546 - Contact maker for connection brackets

To connect connection brackets and connector kits with flat copper bars to Flat-PLS busbar systems, no drilling required.

#### **Features**

SV 9676.546
For joining connection brackets to busbar systems.
E-Cu
Assembly components
60 mm
3 4
The screws included with the supply are used to secure the contacts to the busbars  Screws for fixing the connecting bracket are not included with the supply  The required screw length must be selected according to the busbar width W, i.e., Length = W + fastening measurement + (number of partial conductors x 10)  Number of screws per bracket: With 2 subconductors per conductor: 2 pc(s) and with 3 or 4 subconductors per conductor 4 pc(s).
Flat-PLS
40 mm
1 pc(s).
