# SV 9677.541 - System Attachment for VX, TS

For attaching busbar systems with 185 mm center-to-center spacing in enclosures.

## Features

|                                     |   |
|-------------------------------------|---|
| Model No.                           | SV 9677.541   |
| Product description                 | For fastening busbar systems with 185 mm center distance in the enclosure.  |
| Material                            | Carbon steel  |
| Surface finish                      | Zinc-plated   |
| Supply includes                     | 2 system fittings (left/right)<br>2 punched sections<br>Assembly components<br>System attachment (center)   |
| Mounting tip                        | For variable depth settings in the busbar system inside the control cabinet, the 23 x 64 mm system chassis for VX (for indoor mounting levels) is required. The selection will be dictated by the depth of the cabinet. |
| Suitable for width                  | 1,200 mm  |
| Packaging unit                      | 1 pc(s).  |
| Net weight                          | 5.24 kg   |
| Gross weight                        | 5.54 kg   |
| PCF/VE (cradle-to-gate)             | 21.1 kg CO2 eq (Cat B)  |
| Information regarding the PCF class | Category B: PCF value (cradle-to-gate) calculated approximately on the basis of the product weight and self-declared  |
| Customs tariff number               | 83024900  |
| ETIM 9                              | EC002270  |
| ECLASS 8.0                          | 27400613  |
| Product description                 | SV system attachment for VX (W: 1200 mm), for busbar holder SV 9677500  |
