Blanking cover

State: 08/11/2026 (Source: www.rittal.com/com-en)

SK 3237.021 - Blanking cover for filter fans / outlet filters

If you need to close existing mounting cut-outs for fan-and-filter units/outlet filters in order to achieve a higher protection category, a blanking cover may be used in the fan-and-filter unit / outlet filter instead of the filter mat, without the need for welding or other metal machining.

Features

Model No.	SK 3237.021
Product description	If existing mounting cut-outs for fan-and-filter units/outlet filters need to be closed to achieve a higher protection category, the filter mat of the fan-and-filter unit/outlet filter can simply be replaced with a blanking cover, welding or other mechanical modification of the enclosure is not necessary.
Material	PE, closed-cell
