DK 7151.305 - Blanking panel, 482.6 mm (19") Tool-free attachment

Used to seal unused areas within the 482.6 mm (19") mounting level.

Features

Model No.	DK 7151.305
Product description	The blanking panel is used to seal unused areas within the 482.6 mm (19") mounting level. Quick tool-free attachment means that it is easily integrated anywhere, and can also be removed again if necessary. The consistent use of blanking panels ensures targeted air routing in partially populated racks.
