Product description	DK Cable duct, 482.6 mm (19"), 2 U, Horizontal

Tender text

482.6 mm (19") cable management duct, horizontal

The duct enables a large number of cables to be easily concealed and routed to components installed inside the 19" attachment level. Large cutouts ensure convenient, kink-free cable routing to the top and bottom components.
The entire front panel can be removed using the quick release fasteners to ensure easy handling. Velcro fasteners can be used to hold the cables in place after they have been fitted and whilst the duct is being re-closed.
