DK 7824.650 - Noise protection kit for TS

Sound is absorbed, leading to significant noise reduction.

Features

Model No.	DK 7824.650
Product description	Noise insulating mats for equipping or retro-fitting enclosures. Thanks to their self-adhesive rear, the noise insulating mats are easily attached to existing surfaces. Sound is absorbed, leading to significant noise reduction. The kit is designed to reduce noise from the roof, sides and rear of an enclosure with dimensions WHD 800 x 2000 x 800 mm. Other dimensions can be accommodated by cutting to size individually.
Material	Soft foam based on melamine resin Material category B1 to DIN 4102
Colour	Pale grey
Supply includes	Spacer bolts for sound insulation of the roof plate
Material thickness	20 mm
To fit	Enclosure type: TS 8 Width: 800 mm Height: 2,000 mm Depth: 800 mm

Features

Packs of	1 pc(s).
Net weight	3.715
Gross weight	3.72
Customs tariff number	39269097
EAN	4028177597655
ECLASS 8.0	27189261

Noise protection kit for TS

Noise insulating mats for equipping or retro-fitting existing network enclosures.

Thanks to their self-adhesive rear, the noise insulating mats are conveniently attached to existing surfaces. Sound is absorbed, for significant noise reduction. The kit is designed to reduce noise from the roof, sides and rear of an enclosure with dimensions WHD 800 x 2000 x 800 mm.

Other dimensions can be accommodated by cutting to size individually.

For TS WxH: 600 x 2000 mm

Material:

Polyurethane, self-adhesive rear

Colour:

Anthracite

Supply includes:

Spacer bolts for sound decoupling of the roof plate.
