TS 7826.865 Roof plate for cable entry, two-piece

State: 07/12/2025 (Source: rittal.com/com-en)

TS 7826.865 - Roof plate for cable entry, two-piece for VX, VX IT, TS, TS IT

The two-piece design allows easy retro-fitting, by simply removing the front part of the plate for retrospective cable entry.

Features

Model No.	TS 7826.865
Product description	In exchange for the standard roof. Equipped with a sliding angular bracket in the rear section. Rubber cable clamp strip on both sides for attaching cable bundles and bunched cables. Due to the symmetrical design of the frame, side cable entry can also be achieved by rotating the roof plate. The two-piece design allows convenient retrofitting.
