FRIEDHELM LOH GROUP

VX 8620.091 - Base/plinth trim panels, vented for base/plinth system VX

For venting the enclosure via the base/plinth. Specifically in applications such as power distribution where the enclosure gland plates are not used, this can be used to achieve a higher air throughput inside the enclosure. Various solutions to raise the roof and special roof plates with vent openings are also available for enclosure venting. With a 200 mm base/plinth height, one or two vented trim panels may optionally be used. Thanks to the complete symmetry of the base/plinth system VX, the trim panels may either be fitted at the front, rear or side on the base/plinth corner piece.

Features

Model No.	VX 8620.091
Product description	For venting the enclosure via the base/plinth. Specifically in applications such as power distribution where the enclosure gland plates are not used, this can be used to achieve a higher air throughput inside the enclosure. Various solutions to raise the roof and special roof plates with vent openings are also available for enclosure venting. With a 200 mm base/plinth height, one or two vented trim panels may optionally be used. Thanks to the complete symmetry of the base/plinth system VX, the trim panels may either be fitted at the front, rear or side on the base/plinth corner piece.
Material	Sheet steel
Colour	RAL 9005
Supply includes	Assembly parts
Dimensions	Height: 100 mm
To fit	Enclosure type: VX TX CableNet Width/depth: 800 mm
Type rating to UL 50E	Type 1, 12
Weight/pack	1.95 kg
Packs of	2 pc(s).

Features

Net weight	1.8 kg
Gross weight	2.2 kg
Customs tariff number	94039910
ETIM 9	EC000721
ECLASS 8.0	27182003
Product description	VX Base/plinth trim panel, vented, for W/D: 800 mm, sheet steel
