DK 7492.060 - Slide rail, heavy-duty for TS network enclosures with two mounting levels

For TS network enclosures with two 482.6 mm (19˝) mounting levels, to support heavy installed equipment.

Features

Model No.	DK 7492.060
Design	For static installation between two 482.6 mm (19") mounting levels.
Product description	To support heavy installed equipment. The slide rails are simply located into the cranked mounting angles and secured with screws. The combined use with additional depth stays or, in case of 80 mm wide enclosures, with the additional fastening attachment counteracts possible bending of the mounting angles in case of unevenly distributed loads.
