# VX 8619.320 Adaptor sections, 482.6 mm (19")

State: 27.10.2025. (Source: rittal.com/hr-hr)

# VX 8619.320 - Adaptor sections, 482.6 mm (19") for VX, VX SE

For mounting electronic components, subracks and other 482.6 mm (19") equipment. Adaptor sections are easily shortened for partial assemblies.

#### **Features**

| Model No.               | VX 8619.320                                                                                                                                                                                                                                                                                |
