TS 8800.110 Hinge

State: 05.11.2025. (Source: rittal.com/hr-hr)

TS 8800.110 - Hinge for side panel TS, screw-fastened, sheet steel

The 180° opening angle allows unhindered access. May be installed optionally from the inside or outside of the enclosure. Simply replace 3 enclosure panel fasteners with hinges. Despite the hinge, the protection category of the enclosure is retained.

Features

TS 8800.110
The 180° opening angle allows unhindered access. Optionally installed either from the inside or outside of the enclosure.
Despite the hinge, the protection category of the enclosure is retained
Replace the 3 enclosure panel holders with hinges
Die-cast zinc
RAL 7035
Assembly screws
Side panel and door hinges may only be installed on the same enclosure section when using a 180° door hinge Caution! Hinged and non-hinged side panels, doors and rear panels must always be opposite one another. Only one surface of each vertical enclosure section is available for mounting (hinges of the side panel).
6 pc(s).
