SZ 7993.210 - Gland plates VX as per specifications

Gland plate for retro-fitting in oily and dusty environments. For use in accordance with the project-specific approved-material lists for the relevant brand.

Features

Model No.	SZ 7993.210
Product description	Gland plates with cut-outs for module plates for cable entry in unfavourable ambient conditions with the VX25 enclosure system. To boost the protection category in particularly dusty and oily environments. The gland plates may be fitted in place of standard gland plates in the base frame of VX25 enclosures. To achieve secure cable entry, the existing 318 x 144 mm cut-outs must be sealed with module plates or individually sealed with cable entry components.
Material	Sheet steel
Surface finish	Spray-finished
Colour	RAL 7035
Note	The gland plates are fitted in the enclosure from the inside and must therefore be installed in front of the Lütze wiring frame and/or the mounting plate.
To fit	Enclosure type: VX Width: = 1,000 mm Depth: = 600 mm
Packs of	1 pc(s).
Net weight	7
Gross weight	7.8
Customs tariff number	73269098
EAN	4028177039179
