## VX 8618.810 Section for cable entry, rear

State: 6/8/2025 (Source: rittal.com/in-en)

## VX 8618.810 - Section for cable entry, rear

For top-mounting on the gland plate and enclosure frame.

## **Features**

| Model No.             | VX 8618.810   |
|-----------------------|---|
| Product description   | For top-mounting on the gland plate and enclosure frame.            |
| Benefits              | Simple assembly   |
|                       | Full-surface support  |
|                       | High level of sealing of cables inserted into the enclosure         |
| Applications          | For top-mounting on the gland plate and enclosure frame             |
| Material              | Hard PVC  |
|                       | Flame-resistant, self-extinguishing                                 |
|                       | Temperature resistant to +60 °C                                     |
|                       | Seal: PU foam   |
|                       | Cross-section: 30 x 25 mm   |
| Supply includes       | Plug-in sections, incl. foam rubber clamp strip                     |
| Note                  | You will need two pieces per cable entry point.                     |
|                       | From an enclosure width of 1000 mm, the base assembly is divided    |
|                       | into two sections in the width. Two cable entry points (left/right) |
|                       | may be used.  |
| To fit                | Enclosure type: VX: = 600 mm  |
|                       | Enclosure type: VX SE   |
|                       | Enclosure type: CX one-piece console                                |
|                       | Enclosure type: CX pedestal   |
| Packs of              | 2 pc(s).  |
| Net weight            | 0.16  |
| Gross weight          | 0.18  |
| Customs tariff number | 39269097  |
| EAN                   | 4028177922792   |
| ETIM 9                | EC002624  |
| ECLASS 8.0            | 27189265  |
