# SK 3286.900 - Quick-change frame for roof-mounted cooling units

Together with the seal, the lower part of the alternate frame is screw-fastened to the enclosure. In this way, it is possible to install and remove the connector-ready cooling unit with quick-release fasteners with the upper part of the alternate frame pre-fitted on the cooling unit.

## Features

|                               |  |
|-------------------------------|--|
| Model No.                     | SK 3286.900  |
| Product description           | The quick-change frame is more than just an alternate frame. Together with the seal, the lower part of the frame is screw-fastened to the enclosure. In this way, it is possible to install and remove the connector-ready cooling unit with the upper part of the alternate frame previously mounted on the cooling unit with quick-release fasteners. During servicing work, this means shorter assembly times and hence minimised downtime. What is more, the quick-change frame offers effective protection against the ingress of oil into the enclosure in oily atmospheres, thanks to its integral drainage trough. |
| Material                      | Sheet steel  |
| Colour                        | RAL 7035   |
| Supply includes               | Quick-change frame<br>Seal<br>Quick-release fasteners  |
| To fit Model No.              | 3386....<br>3387....   |
| Packs of                      | 1 pc(s).   |
| Net weight                    | 10.419 kg  |
| Gross weight                  | 10.967 kg  |
| PCF per pack (cradle-to-gate) | 38.5 kg CO2 eq (Cat B)   |
| Note on PCF category          | Category B: PCF value (cradle-to-gate) based on the product weight, approximately calculated and self-declared   |
