# VX 8609.200 - Divider panel for VX

For shielding individual enclosure cells. Thanks to the symmetry of the frame system, the divider panel can also be used at the rear. All-round, double fold for stability and to hold the seal.

## Features

|                                      |  |
|--------------------------------------|--|
| Model No.                            | VX 8609.200  |
| Product description                  | For shielding individual enclosure cells. Thanks to the symmetry of the frame system, the divider panel can also be used at the rear. All-round, double fold for stability and to hold the seal.                                 |
| Benefits                             | The divider panel may also be fitted at the rear. This allows, e.g. frequency converters for heat dissipation to be installed in a divider panel with the cooling units facing outwards and protected/finished off with a cover. |
| Material                             | Sheet steel, 1.5 mm  |
| Surface finish                       | Zinc-plated  |
| Supply includes                      | Assembly parts   |
| To fit                               | Enclosure type: VX<br>Height: = 1,800 mm<br>Depth: = 400 mm  |
| Installation options                 | For mounting on the outer mounting level<br>This leaves the inner level free for further population  |
| Assembly instruction                 | For baying in combination with a divider panel, an internal baying bracket 8617500 or external baying bracket 8617502 is required  |
| IP protection category to IEC 60 529 | IP 54  |
| Packs of                             | 1 pc(s).   |
| Net weight                           | 7.047  |
| Gross weight                         | 7.5  |
| Customs tariff number                | 94039910   |
| EAN                                  | 4028177817746  |
