AS 4051.214 - Wire rail system WT 15

The 15-way wire rail system sorts the wires and outputs them into wire rails. It can hold up to 2100 wires on a project-specific basis.

Features

Model No.	AS 4051.214
Product description	The 15-way wire rail system sorts the wires and outputs them into wire rails. It can hold up to 2100 wires on a project-specific basis.
Benefits	Project-specific order picking for downstream processes Project-specific sorting of the wires Optimum removal handling Busbar system prepared for optimum workstation order-picking No wire sorting required Simplifies the wiring process with step-by-step instructions in Eplan Smart Wiring Ideal in conjunction with the Wire Cart for perfect workstation order picking Sequential wire production in WT wire rails
Technical specifications	Also possible in combination with the chain bundle module WT Including the latest RFID technology
Supply includes	Wire rail system WT 15
To fit Model No.	4051.205 4051.210
Packs of	1 pc(s).
Net weight	90 kg
Gross weight	95 kg
Customs tariff number	76169990
