Tender text

Enclosure system with monitor door and desk section

Enclosure for stand-alone siting, consisting of solid body, glazed door at the top, desk section, component shelf, bottom door, rear door and welded base assembly. Enclosure body with mounting angles at the front and rear.

System slots on a 25 mm pitch pattern, all round, for individual interior installation and two pairs of mounting angles for space-saving system configuration.

Glazed door, top:

With support frame latched from the inside, r/h hinge

- Vertical decorative trim panels
- Pane with screen-printed mask

Component shelf for monitor:

- Slotted, permanently installed

Desk section:

- Enclosure with removable cover top and bottom
- Trim strip, top and handle strip

Bottom door:

- Vertical bars with locking rod and double-bit insert
- Hinged on right-hand side
- Door or installation plate folded

Rear door:

- With locking rod and double-bit insert, hinged on right-hand side
- Gland plates, three-part

Material:

Enclosure, door, desk section, gland plates: Sheet steel

- Handles, decorative trim panels: Plastic
- Door trim panels: Aluminium

Surface finish:

- Zinc-plated gland plates

Colour:

- Enclosure, rear door: RAL 7035

Top glazed door:

- Vertical decorative trim panels: RAL 7035
- Pane with screen-printed mask: RAL 7015

Component shelf for monitor: RAL 7015

Desk section:
