# SV 9673.981 - TS punched rail 17 x 17 mm for TS

For building an auxiliary construction for dividing the busbar space and for individual use as mounting frame for low and medium loads.

## Features

|                                         |                                                                                                                                                                                                                                                                              |
|-----------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Model No.                               | SV 9673.981                                                                                                                                                                                                                                                                  |
| Design                                  | For vertical separation with busbar system in the bottom rear section                                                                                                                                                                                                        |
| Product description                     | Mounting angle with TS pitch on three sides. Suitable for building an auxiliary construction for dividing the busbar space, for individual use as a mounting frame for low and medium loads, and fastening to the internal or external mounting level of the TS 8 enclosure. |
| Material                                | Sheet steel, 1.5 mm                                                                                                                                                                                                                                                          |
| Surface finish                          | Zinc-plated                                                                                                                                                                                                                                                                  |
| Length                                  | 712,5 mm                                                                                                                                                                                                                                                                     |
