# VX 8618.251 - Comfort handle VX for VX, VX IT

Thanks to its folding action, the handle does not take up any swing space, thus maximising the door surface area available for installed equipment. Simple assembly, thanks to the snap-mounted handle system.

## Features

|                       |  |
|-----------------------|--|
| Model No.             | VX 8618.251  |
| Design                | for profile half-cylinder  |
| Benefits              | As the handle does not take up any swing space, due to its folding action, the door surface area may be maximised for installed equipment<br>Simple assembly, thanks to the snap-mounted handle system |
