# SV 9393.211 - Network analyser REM 801

Network analyser with modular extension options.

## Features

|                                     |                                   |
|-------------------------------------|-----------------------------------|
| Model No.                           | SV 9393.211                       |
| Design                              | Multi-functional network analyser |
| Operating temperature range         | -10 °C...55 °C                    |
| Storage temperature range           | -25 °C...70 °C                    |
| Contamination level                 | 2                                 |
| IP protection category to IEC 60529 | IP 20                             |
| Packs of                            | 1 pc(s).                          |
| Net weight                          | 0,65 kg                           |
| Gross weight                        | 0,65 kg                           |
| Customs tariff number               | 85389099                          |
| Product description                 | SV Network analyser REM 801       |
