# SG 2368.002 - Connection component for signal pillar, modular

Optionally for conduit or wall/base mounting. Screwless spring terminals in the connection component. With cover for optical components. Contact hazard protection to VDE.

## Features

|                                   |  |
|-----------------------------------|--|
| Model No.                         | SG 2368.002  |
| Design                            | for wall/base mounting   |
| Product description               | Optionally for conduit or wall/base mounting. Screwless spring terminals in the connection component. With cover for optical components. Contact hazard protection to VDE. |
| Benefits                          | Simple assembly and contact via bayonet fastener.  |
| Function principle                | A modular layout is possible with connection, optical and acoustic components and a label panel  |
| Material                          | Enclosure of polyamide   |
| Colour                            | Black  |
| Signal pillar                     | modular  |
| Protection category to IEC 60 529 | IP 65  |
| Rated operating voltage           | 12 V - 230 V (AC/DC)   |
| Packs of                          | 1 pc(s).   |
| Net weight                        | 0.089  |
| Gross weight                      | 0.099  |
| Customs tariff number             | 85444290   |
| EAN                               | 4028177953581  |
| ETIM 9                            | EC001152   |
| ETIM 8                            | EC001152   |
| ECLASS 8.0                        | 27371232   |
