SK 3286.900 - Quick-change frame for roof-mounted cooling units

Together with the seal, the lower part of the alternate frame is screw-fastened to the enclosure. In this way, it is possible to install and remove the connector-ready cooling unit with quick-release fasteners with the upper part of the alternate frame pre-fitted on the cooling unit.

Features

Model No.	SK 3286.900
Product description	<p>The quick-change frame is more than just an alternate frame. Together with the seal, the lower part of the frame is screw-fastened to the enclosure. In this way, it is possible to install and remove the connector-ready cooling unit with the upper part of the alternate frame previously mounted on the cooling unit with quick-release fasteners. During servicing work, this means shorter assembly times and hence minimised downtime. What is more, the quick-change frame offers effective protection against the ingress of oil into the enclosure in oily atmospheres, thanks to its integral drainage trough.</p>
Material	Sheet steel
Colour	RAL 7035
Supply includes	Quick-change frame Seal Quick-release fasteners
To fit Model No.	3386.... 3387....
Packs of	1 pc(s).
Net weight	10.419
Gross weight	10.967
PCF per pack (cradle-to-gate)	38.5 kg CO ₂ eq (Cat B)
Note on PCF category	Category B: PCF value (cradle-to-gate) based on the product weight, approximately calculated and self-declared
