AS 4051.027 - Wire store for Wire Terminal

Modular wire store and wire routing system for Wire Terminal WT.

Features

Model No.	AS 4051.027
Product description	The modular, space-saving wire store and wire routing system ensure controlled infeed of wires into the Wire Terminal WT fully automated wire processing machine.
Benefits	Space-saving storage of six wire containers on two levels Controlled, secure wire infeed Modular system for individual expansion options
Technical specifications	Max. admissible load, top storey: 540 kg (corresponding to 6 wire drums @ 90 kg) Max. admissible load, top storey: 210 kg (corresponding to 6 wire drums @ 35 kg)
Supply includes	Additional module
Support area	Width: 1,200 mm Height: 2,250 mm Depth: 800 mm
Number wire containers	12
Note	Modular extension with a left-hand and a right-hand wire store allows storage and infeed to be extended to a maximum of 36 wire containers
To fit Model No.	4051.024 4051.036
Packs of	1 pc(s).
Net weight	130
Gross weight	140
Customs tariff number	84662020
EAN	4028177940307
ECLASS 8.0	17139201
