TS 7829.400 - Kit for separate frame TS

Kit for separate frame TS.

Features

Model No.	TS 7829.400
Product description	Every TS frame is easily converted to a rack suitable for dismantling. To this end, the frame sections in the roof and base frame are separated, optionally in the width or depth. The four connection components are inserted into the frame section and screw-fastened. The external dimensions of the frame remain unchanged.
Supply includes	Assembly parts
Note	The maximum achievable IP protection category is restricted by separation of the frame.
Packs of	4 pc(s).
Net weight	0.972
Gross weight	1.206
Customs tariff number	73269098
EAN	4028177235298
ETIM 9	EC002620
ECLASS 8.0	27189261

Tender text

Kit for separate frames

The enclosure system's IP water protection is lost once the frames are separated.
